

FOR IMMEDIATE RELEASE

We regret to inform you that the BAYFRONT COUNTRY JAM scheduled for Thursday, July 2nd, 2020 at Bayfront Festival Park has been postponed until Friday, July 2nd, 2021. This is due to the COVID-19 pandemic.

Because of deposit requirements and expenses already incurred, there will be no refunds. All tickets sold WILL BE HONORED including VIP tickets.

"It is with deep regret that we have to make the difficult decision to postpone, but it's the right thing to do. We are planning even a greater lineup for 2021 and since it's a Friday night next year, it's really going to be special!" said Walt Aplin, event promoter. "We expect ticket prices to be 25-50% higher next year so those that have already purchased tickets have a distinct advantage".

We appreciate your understanding during these times and look forward to the party next summer!
